

Texas Motor Vehicle Safety Responsibility Act Notification

A second or subsequent conviction of an offense under the Texas Motor Vehicle Safety Responsibility Act will result in the suspension of your driver's license and motor vehicle registration unless you file and maintain proof of financial responsibility with the Department of Public Safety for two (2) years from the date of conviction. The Department may waive the requirement to file proof of financial responsibility if you file satisfactory evidence with the Department showing that at the time your citation was issued the vehicle was covered by a liability insurance policy or that you were otherwise exempt from the requirements to provide evidence of financial responsibility.

If you have received a citation for failure to maintain financial responsibility, you may appear at the Municipal Court office within 20 business days with proof that you were insured on the date of the offense and your citation will be presented to the Judge for dismissal. The Municipal Court verifies all information submitted as proof of financial responsibility.
